Kinder, LA 70648

Re: Request for Waiver of
Filing Fee
Fee Control No. 00000RROG-02-081

Dear Mr. Warwick:

This is in response to your letter in which you request a waiver of fees for a duplicate GMDSS Radio Operator/Maintainer license. You state that you lost the license in a marine casualty that was ruled to be no fault of yours.

The Commission's rules provide that the cost of this kind of duplicate license is \$50.00. *See* 47 C.F.R. Section 1.1102 (3)(c). The Commission's rules, however, also provide that this fee may be waived "where good cause is shown and where waiver ... of the fee would promote the public interest." 47 C.F.R. 1.1117(a). We believe that you have shown good cause why the duplicate license fee should be waived, and that such a waiver would promote the public interest.

If you have any questions concerning this matter, please contact the Revenue & Receivables Operations Group at (202) 418-1995.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark A. Reger", written over a horizontal line.

Mark A. Reger
Chief Financial Officer

Federal Communication Comm.

To Concerned

On 02/15/00 at 13:55 Central Time while on a voyage from New Orleans, La. to St. Louis, Mo. aboard the M/V Navigator, on the Mississippi River, mile **867.5**, the vessel struck a unknown submerged object and began to take water at **an** uncontrollable rate, being the Pilot on watch at the time, my first concern was the safety of the crew, the vessel sank in 50+ foot of water in **just** six minutes. time enough to get crew to safety but everyone lost all belongings, Myself included I lost all licenses and logs and personnel gear.

This being a Marine casualty loss **ruled** no fault on Myself by the Marine Safety Office at Memphis, Tenn. **They** issued me Duplicate Licenses at no cost. **After** receiving **my** Radiotelephone permit **in** 1972 and it supposedly good for life, and my loss due to a marine casualty I'm asking for a waiver of fees for a Duplicate license.

I feel you will consider this reason enough to replace my loss so I will have all **my** documents to **return** to work, as **my** loss has cost aplenty already.

Thank You,

William J. Warwick Merchant Marine Officer #870731

24) Is the applicant exempt from FCC regulatory fees?	2 () Yes No

General Certification Statements

1) The Applicant waives any claim to the use of any particular frequency or of the electromagnetic spectrum as against the regulatory power of the United States because of the previous use of the same, whether by license or otherwise, as it requests an authorization in accordance with this application.
2) The applicant certifies that all statements made in this application and in the exhibits, attachments, or documents incorporated by reference are material, are part of this application, and are true, complete, correct, and made in good faith.
3) Neither the Applicant nor any member thereof is a foreign government or a representative thereof.
4) The applicant certifies that neither the applicant nor any other party to the application is subject to a denial of Federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. § 862, because of a conviction for possession or distribution of a controlled substance. This certification does not apply to applications filed in services exempted under Section 1.2002(c) of the rules, 47 CFR § 1.2002(c). See Section 1.2002(b) of the rules, 47 CFR § 1.2002(b), for the definition of "party to the application" as used in this certification.
5) Amateur or GMRS Applicant certifies that the construction of the station would NOT be an action which is likely to have a significant environmental effect (see the Commission's Rules 47 CFR Sections 1.1301-1.1319 and Section 97.13(a)).
6) Amateur Applicant certifies that they have READ and WILL COMPLY WITH Section 97.13(c) of the Commission's Rules regarding RADIOFREQUENCY (RF) RADIATION SAFETY and the amateur service section of OST/OET Bulletin Number 65.

Certification Statements For GMRS Applicants

1) Applicant certifies that he or she is claiming eligibility under Rule Section 95.5 of the Commission's Rules.
2) Applicant certifies that he or she is at least 18 years of age.
3) Applicant certifies that he or she will comply with the requirement that use of frequencies 462.650, 467.650, 462.700 and 467.700 MHz is not permitted near the Canadian border North of Line A and East of Line C. These frequencies are used throughout Canada and harmful interference is anticipated.
